Joseph Whidbey State Park August, 2026

Thanks Oak Harbor Church of the City Volunteers for Moyers Trail Clearing and Building a Turnpike!

Now this section of the trail is ready for hiking in the fall and winter!

Volunteers from several churches paid for the supplies to build 88 ft. of raised trail (a Turnpike) and they cleared part of the Moyer's Loop Trail with Friends volunteers!

Special Thanks to Brian Gonzales of Northwest Gravel Driveways and Kathy, the Friends Park Steward for the Moyer's Trail!
