

# Joseph Whidbey State Park New Turnpike Built on the Moyer's Trail September 8, 2023

Start with a well-used trail that gets muddy in winter...

Add a dedicated, hard-working team to upgrade the trail...

They build a sturdy, raised  
"Turnpike" ~> Success!

**Thank You NAS Whidbey VAQ 138 and Friends!**  
For improving the Moyers trail for hikers in the rainy months!
