

Joseph Whidbey Spruce Up the Park

A Big Thank You to Friends volunteers who came out on June 1st ~ a beautiful Saturday to spruce up the park!

The stairs to the beach were repaired and cleaned up.

Bags of Poison Hemlock were removed

The bridge on the east side of the park that leads to the kiosk was re-decked, trails brushed and more...

Special Thanks to Park Volunteers Bob & Camille from Ft. Ebey for bringing tools, power washing & weeding!
