

Fort Casey State Park Trail to the Beach Repair April, 2021

The trail to the beach was built in 2019 by Friends & WTA * volunteers

* Washington Trails Association

➔ The lower end of the trail washed away in the 2021 January storms

Thanks to Friends & Navy Volunteers for your work to rebuild the lower part of the trail to make it safe for hikers and beach visitors!

Thanks to park staff for supplying tools to get the job done!

Partners working together for our State Parks!
